| 13. Faculty of <i>Electrical Engineering</i> | 26. <i>Veterinary</i> Faculty |

FIELDS OF STUDY

**Natural Science, Technology and Engineering,
Social Sciences, Humanities, Medicine, Art**

University of Ljubljana

- To verify the value of new knowledge
- To train graduates for work and life in the global world
- To benchmark
- To economize and seek synergy

Why internationalization?

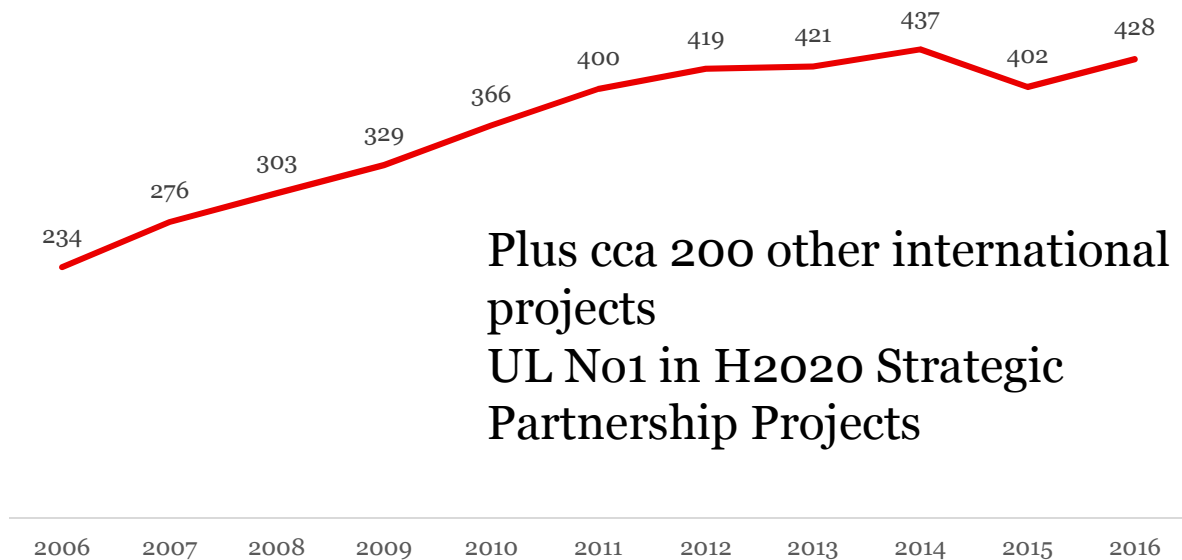

- *More international projects*
- *More WoS publications*
- *More citations*
- *More foreign students*
- *More exchange students*
- *More programmes and courses in English*
- *More joint and double degrees*
- *More foreign teachers*
- *Strategic partnerships*

The main goals of internationalisation (UL Strategy of Internationalisation)

In four years:
+ 9 % projects
+ 20 % value of the projects

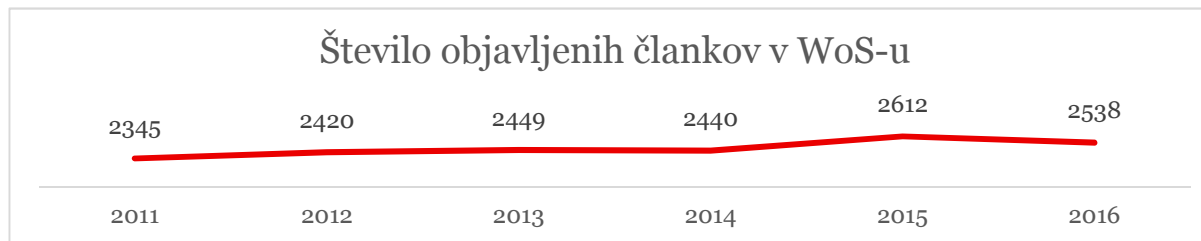

Plus cca 200 other international projects
UL No1 in H2020 Strategic Partnership Projects

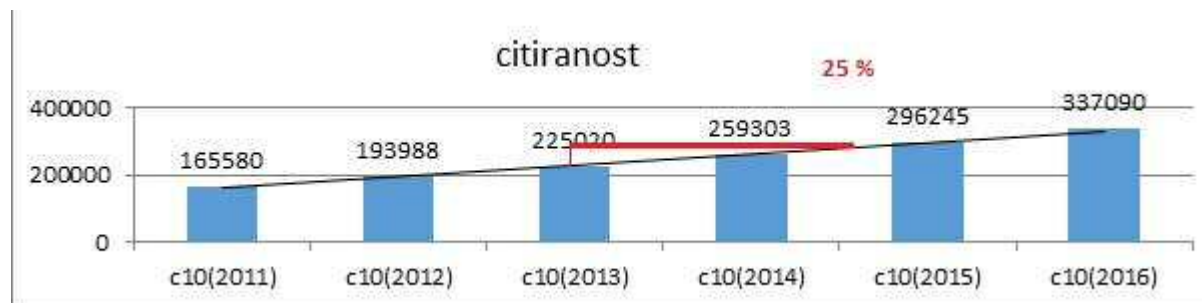

EU Projects 2006-2016

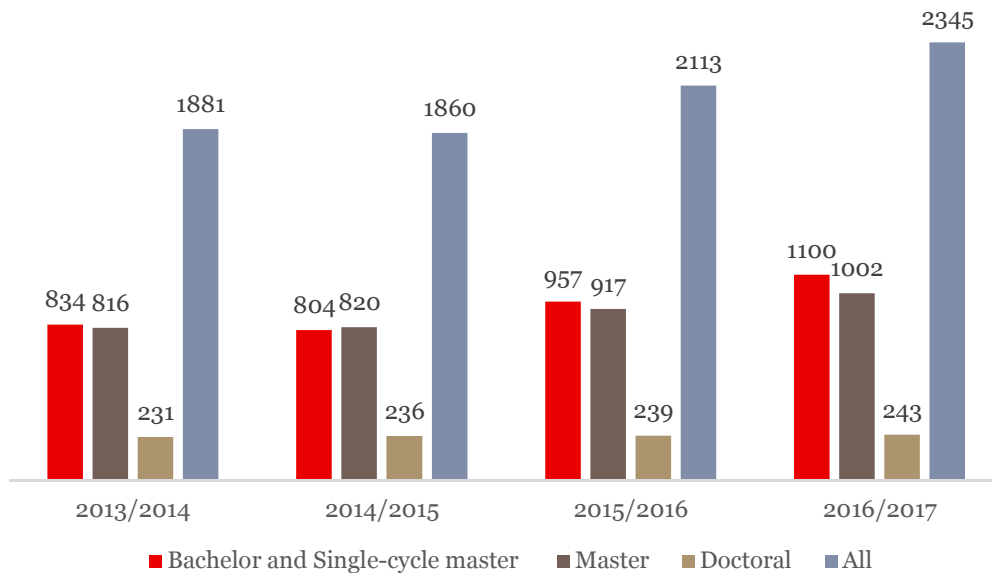

- The number of publications increased by 4 % (period 2013 – 2016)

- Citation of publications increased by 50 %

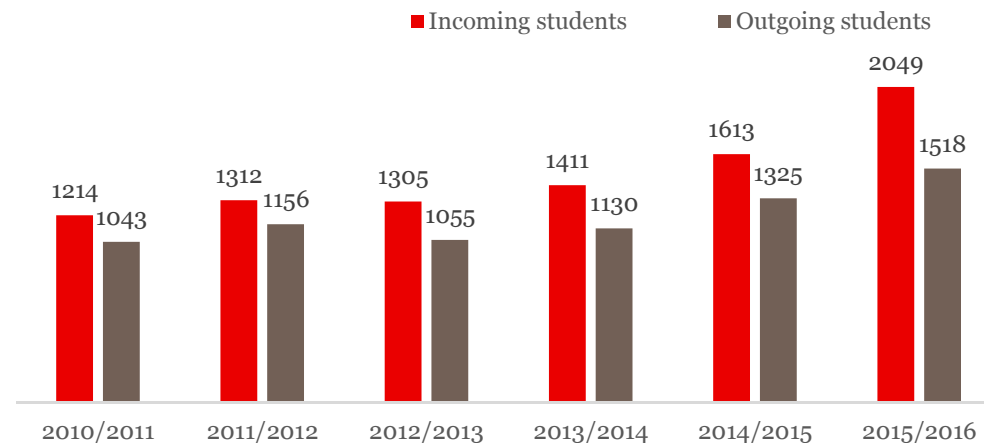

Publications and citations

Enrolled international students
+ 25 %

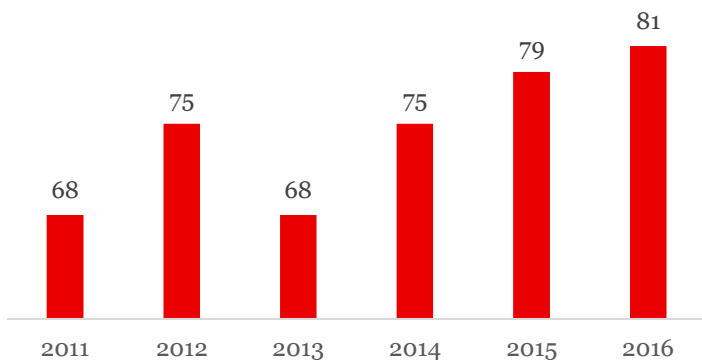

Incoming students
+ 45 %
Outgoing students
+ 44 %

International students

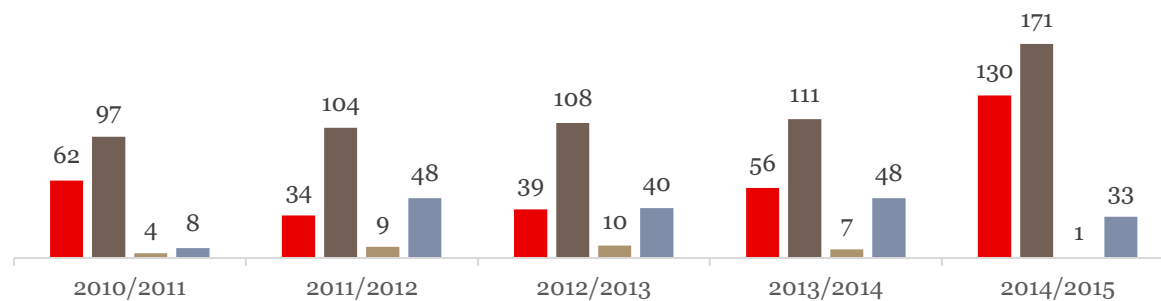

Foreign employees

+ 19 %

Foreign exchange staff

+ 59 %

- Foreign staff involved in the teaching process
- Foreign staff involved in the scientific research process
- Foreign staff involved in the artwork
- Foreign administrative staff

International Staff

Bachelor degree

7 + several courses

Masters degree

31 + several courses

PhD degree: ALL

Joint/double degree programmes: 16

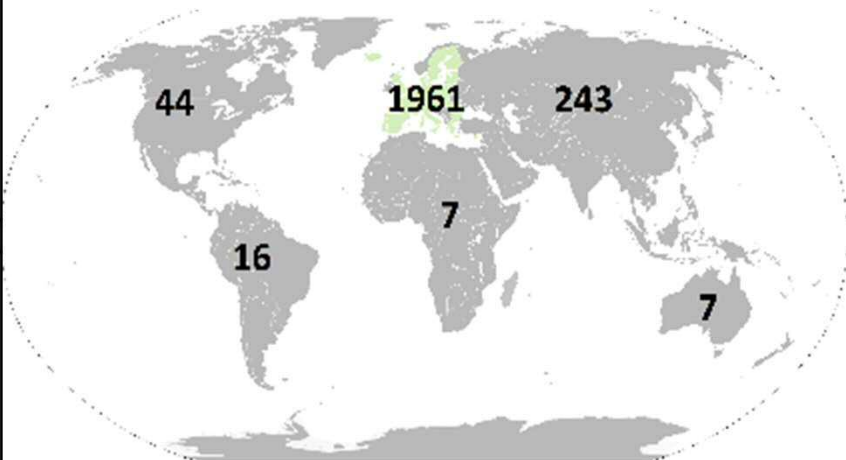

Programmes offered in English

- Strategy of internationalisation
- Funds to enhance projects' applications
- Administrative support to and trainings of researchers
- Promotion of study programmes (information, web page, faires...)
- Work with foreign students
- International calls for staff
- Visiting professor status
- Utilisation of public support

Instruments

Agreements:

- 8 strategic partnerships
- 90 central agreements
- 2180 departmental agreements
(among this 1828 Erasmus)

Areas of cooperation:

- Exchange of students, academic and administrative staff
- Joint research activities/projects
- Joint conferences, seminars, workshops, symposia etc.
- Joint courses and/or curricula

International partnerships

Help international students to adopt to the Slovenian system and culture in their first year in Slovenia

Target group of the Year Plus: international students in their first study year at the University of Ljubljana bachelor or master degree programmes with no knowledge of Slovenian language

Credit load:

- 30 ECTS credit points of which there are **minimum 6 ECTS credit points from Slovenian language course**
- For the rest of the ECTS credit points, the student selects other courses from the chosen degree programme (degree programme courses) and other courses (specific Prep module courses)
